ROBOTICS CAMP

YOU WILL DESIGN, CONSTRUCT, AND PROGRAM ROBOTS!

The 2016 Robotics Summer Camp at IHMC offers participants the opportunity to work in teams and master robotic challenges through imagination, fun, and ingenuity. The camp encourages creativity and problem solving. No need to have previous experience in programming robots – just an interest in learning how! Two camp sessions are offered for specific grade levels, and for students currently in middle school.

SESSIONS

- 1** Current 6th and 7th Graders - Introductory
June 20 - 23, 9:00am - 4:00pm
- 2** Current 7th and 8th Graders - Introductory
July 5 - 8, 9:00am - 4:00pm

DETAILS

Each session costs \$150.00. Students must select one camp session based on grade level. Space is limited to 20 participants each session. Some scholarships are available based on need and for qualified candidates.

Completed applications MUST be received by May 20th. Notification of camp acceptance will be completed by May 30th and final registration forms and fees are due June 13th.
