# ROBOTICS CAMP

## DESIGN, CONSTRUCT, AND PROGRAM ROBOTS!

The 2017 Robotics Summer Camp at IHMC offers current middle school students the opportunity to work in teams and master robotic challenges using Lego Mindstorms Robots. The camp encourages creativity and problem solving. Two camp sessions are offered. No previous experience in programming robots is needed for the introductory session – just an interest in learning how!

## SESSIONS

- 1** Rising 7th, 8th, and 9th Graders - Introductory Level  
June 12 - 15, 9:00am - 3:00pm
- 2** Rising 8th and 9th Graders - Intermediate Level  
June 26 - 29, 9:00am - 3:30pm

## DETAILS

Each session costs \$150.00. Students must select one camp session based on grade level. Space is limited to 20 participants each session. Some financial assistance is available based on need, for qualified candidates.

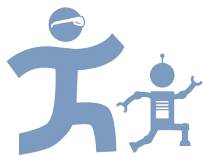

**Completed applications MUST be received by April 7th. Notification of camp acceptance will be by April 14th and final registration forms and fees are due April 28th.**
