

# FLATE Awards

Organizational

Outreach

Curriculum

Professional Development

Since 2006 every year FLATE recognizes outstanding educators and industry members who make a significant contribution to the training and education of today's advanced technology workforce.

Nominations are recommended following published criteria and selected by FLATE's Industrial Advisory Committee. The awardees are then recognized at the annual Manufacturers Association of Florida (MAF) Manufacturers Summit.

Award	Criteria
Manufacturing Secondary Educator-of-the-Year	<ul style="list-style-type: none"> <li>Made outstanding contributions to manufacturing and/or engineering technology education</li> <li>demonstrated an impact on technology education at local and state levels</li> </ul>
Manufacturing Post-Secondary Educator-of-the-Year	<ul style="list-style-type: none"> <li>Made outstanding contributions to manufacturing and/or engineering technology education</li> <li>demonstrated an impact on technology education at local and state levels</li> <li>demonstrated originality of ideas and techniques in manufacturing education</li> </ul>
Distinguished Manufacturing Service	<ul style="list-style-type: none"> <li>Contributed significantly in promoting technology and career awareness in support of manufacturing</li> <li>demonstrated an impact on technology education at local, state and national level through an exceptional devotion of time, effort, thought and action</li> </ul>
