

SMART AUTOMATION SUMMIT: BUILDING THE FUTURE WORKFORCE

MAY 7, 2025; 10 AM-3 PM; INDIAN RIVER STATE COLLEGE, EASTMAN COMPLEX, FORT PIERCE, FL

TOPICS:

- Smart Automation Certification Alliance (SACA): vision, mission
- Role of SACA in growing manufacturing workforce with industry-aligned skills
- Industry-academia collaboration in building a future-ready workforce
- Advanced Manufacturing at IRSC: alignment with nationwide standards in automation

REGISTER NOW

WHY JOIN THE SUMMIT:

In today's rapidly evolving workplace, the demand for skilled professionals is higher than ever. SACA is leading the charge in this area, offering cutting-edge certifications that align with industry needs and prepare workers for the future. This session will feature insights from industry and education leaders.

WHO SHOULD ATTEND:

This summit is ideal for educators, industry professionals, and anyone interested in the future of workforce development.

The event is free, but requires registration. Working lunch will be provided, courtesy of D.C. Jaeger
